School	NEST+m	1770	x	Yes				Yes among different school types (ES, MS and HS) Safety is an issue with big kids playing big sports at the same as little kids do	No	2 or 3	x	Yard	Yes	PE	No	School	Yes	No	Gym	Although the school is officially co-located with other schools, NEST+m is essentially 3 schools in one in that it has ES (K-5), MS (6-8) and HS (9-12) student bodies comprising 1770 students using 1 gym with an unreliable partition. More gym space is needed, perhaps on the roof or on an additional storey. Also, one of the yard areas could be weather-proofed to be a gym.
