

District 1 K-8 Special ED, ELL, and Students in Temporary Housing Percentages

Sources: ATS Download, 4.1.14, Table 2 of School Allocation Memorandum

* Note 1: District averages exclude the G&T School 01M539.

** Note 2: Students in Temporary Housing (STH) data for the schools with high school grades, 01M292, 01M450, and 01M539, comes from the Housing Status field in ATS, and only includes students in grades K-8. All other STH data comes from table 2 of the School Allocation Memorandum.

***Note 3: The starred schools have low enrollments (fewer than 32 students per grade), and so a small number of students in any category-SE, ELL, or STH-may look like a large percentage of the total student population.
