This school has kindergarten seats for applicants from District 13 and District 15. Approximately one third of available kindergarten seats will be offered to residents of District 13. Approximately two thirds will be offered to residents of District 15. The school will follow the kindergarten admissions priorities for non-zoned schools as described in Chancellor’s Regulation A-101.

The school will also prioritize first English Language Learners, then students eligible for free and reduced price lunch for 35% of the seats allocated to each district.

I. Please indicate whether your child falls into one or both of the following categories:

English Language Learner (ELL)

Please check this box if your child:

- Shows greater dominance in speaking and listening to the language other than English.

Eligible for Free/Reduced Price Lunch (FRL)

A student’s eligibility for free or reduced price lunch is based upon family income and size. Please check this box if your family receives public assistance or food stamps, or earns less than the income requirements listed at right for your family size.

Household Size	Annual	Monthly	Weekly
2	\$27,991	\$2,333	\$539

The information you provide in response to these questions will be used for admissions purposes only. The school your child attends for kindergarten will make a final determination whether or not your child requires ELL services or receives free or reduced price lunch after enrollment.

If you knowingly submit inaccurate information about your child’s ELL or FRL status and receive priority for admission based upon the false information, your offer of admission will be rescinded.

II. Please indicate if you are applying for a dual language program. This school has dual language programs in Spanish and French.

Indicate the program(s) you are applying for, and if selecting more than one, rank them. For example, enter “1” next to your first choice and “2” next to your second choice.
