Dear Ms. Rencher:

The New York State Education Department (NYSED or "the Department") has completed its initial review of the applications for the Title I Socioeconomic Integration Pilot Program submitted by your district. As a result, the district must provide additional information. The attached review documents describe the identified issues which must be satisfactorily addressed before the Department can approve the Planning Period budget for this grant.

Please send electronic revisions to SIGA@nysed.gov by COB Friday April 24, 2015. **No hard copies are required for these revisions.**

If you have any questions, please send them to SIGA@nysed.gov. Questions will be forwarded to the appropriate member of the review team, and we will make every effort to provide a response within 24 hours. If more extensive technical assistance is needed, you may request a conference call with our program experts.

Thank you for your participation in the Socioeconomic Integration Pilot Program.
